**Updated 29/12/2020**

**PLEASE NOTE SPECIAL CONDITIONS FOR LOCKDOWN LEVEL 3  
AS PRESCRIBED BY THE SOUTH AFRICAN GOVERNMENT**

We are currently open and in operation for all guests who are travelling within South Africa: whether you are travelling for business, leisure, or essential work.

To lower the risk of infection as much as possible there will be a period of 3 days between each booking where the room will be fully disinfected and sanitized before another guest can go into that room. Room cleaning during your stay will only be done on request, to give you extra peace of mind that no one will go into your room. Turn down service has also been suspended, unless requested.

As it currently stands, we are serving breakfast. All breakfast orders will be placed from a menu and served to you, there will not be a buffet offering during this time to further reduce any risk. You may be asked to book a certain time for breakfast, depending on our occupancy levels to always ensure good ventilation and social distancing in the breakfast room. Eating outside is strongly recommended: just request it when you come to breakfast.

Our pool will remain in use, however there will be a max number of 4 guests at a time in the pool. The pool loungers have been separated to keep a distance between guests in the gardens.

Please note that we are not able to accommodate guests who are in self-isolation or quarantine due to being diagnosed with the virus or having had recently come into close contact with someone who has been diagnosed with the virus.

We are keeping to the recommended very strict health & safety protocols, so please note that guests will not be allowed in any of the common areas without wearing a mask (that covers both your nose and mouth) and maintaining social distancing wherever possible.
